

National Defense and International Peace

Are You Ready to Play Your Part?

THE power of a nation in time of need is the producing power of her industries. America must find out what this producing power is and then develop it. The capacity of every plant must be gauged. The ability of every man must be known. For War is Mechanical. It is Electrical. It is Chemical. It is Mining. Manufacturing, Transportation. It is EVERY phase of Engineering fused into a single industry—

"THE NATION'S DEFENSE."

Thirty thousand Engineers today are serving YOUR COUNTRY without pay. They are making a survey of YOUR COUNTRY'S Industrial Resources. They are helping YOUR COUNTRY to FIND ITSELF—and You! They are charting the channels of commerce. Sounding each source of supply. So that, should the Day break when War must come—YOUR ARMIES in the field will be but the crest of a Wave of Industry, as wide as the American Continent and as deep as the American Soul.

That YOUR COUNTRY may know what the Engineers are doing, the Associated Advertising Clubs of the World have pledged their services to the President of the United States. And this advertisement, published free by this paper, is part of a nation-wide series to secure YOUR co-operation with the Engineers.

"WHAT CAN I DO?"

This is, doubtless, the question you are asking yourself. Here is the answer: If you are a manufacturer co-operate fully with the Engineers so they can do their job quickly and efficiently; if you are a working man help your employer to help the Engineers and be prepared, if so needed, to be a Soldier in Industry, behind the firing line, which is just as important as being a soldier on the firing line; if you are a business man or a professional man, or whoever you are, help mobilize "GOOD WILL" behind this patriotic task of the Engineers in behalf of National Defense and International Peace.

HUSBAND RESCUED DESPAIRING WIFE

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good.

I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without tiring me, and am doing all my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of continuous success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

Fourth Annual Eleventh District School of Principles and Methods

FOR STATE SCHOOL WORKERS

Chris'an Church Mt. Vernon, Ky., May 29-June 2, 1916

FACULTY

Roy K. Roadruck, Dean. Associate State Superintendent Kentucky Christian Bible-school Association, Louisville. Instructor in Administration and Adult

Garry L. Cook, State Bible School Superintendent of Indiana, Indianapolis. Instructor in Pedagogy and Secondary.

Mrs. John S. Asbury, State Elementary Superintendent Kentucky Christian Bible-school Association, Louisville. Instructor in Missions and Elementary.

Thomas A. Minyard, Minister Edenside Christian Church Louisville. Instructor in Bible, and Commencement Address

The members of the faculty are well prepared Bible-school specialists. Mrs. Asbury and Mr. Roadruck, who have assisted in former schools, are well known to the churches of this district. Mr. Cook is the oldest State Superintendent in point of service in the Christian Church, and is recognized as one of the ablest Bible school men in this country. Mr. Minyard is the minister of a Louisville church that has one of the best Bible schools in the city, and is one of the leaders in this great cause.

A STRONG COURSE.

A strong course of lectures on subjects vital to the best work of the leaders and the interest of the school have been arranged. Read carefully the schedule of classes on the opposite side of announcement. It ought to convince you that this training school will mean much to you in your local work in the Bible-school. This is a standard School of Methods course and in every way conforms to the International requirements. (See schedule on printed programs.)

FIVE DAYS' INSTRUCTION, INSPIRATION, FELLOWSHIP

The sessions of the school begin at 10:00 a.m. Monday May 29, and continue to 9:00 p.m. Friday June 2nd, 1916. There will be five days helpful instruction, inspiration, and fellowship. Your school is asked to send one or more official representatives. Many schools pay the entire expenses of their delegates, and then urge others to go on their own accord. You can not make a better investment for the up building of your work than to develop thoroughly trained workers. Letters from ministers and Supts. from all over the state testify to the value of these special training schools and how they have helped their representatives.

FREE ENTERTAINMENT TO ALL.

The good people of Mt. Vernon offer free entertainment to all who may come, and urge that every school in the entire Eleventh District will be represented. Names for entertainment should be sent to Mrs. W. J. Sparks, Mt. Vernon, Ky., who will arrange for your home in advance. When writing, state if possible the time of your expected arrival.

NO REGISTRATION FEE.

There will be no registration fee this year, so that the only expense will be the railroad fare. However, the churches that desire to have a part in the general expenses of the school are invited to send an offering with their delegates.

COMMENCEMENT FOR GRADUATES.

The commencement Exercises will be held at the closing session of the school. Thomas A. Minyard will address the graduates. All those enrolled in the school who take notes on at least 20 lectures, including one department course, and promise to read one of the recommended books, will be granted International Certificates of Recognition.

BIGGEST AND BEST.

Our aim is to make this year's school Biggest and Best. This can be accomplished through your full co-operation. The work of the Bible-schools has flourished throughout the Eleventh because of the influence and help given by the three previous schools held at Corbin, Barbourville, and London.

All Sunday-school workers of Rockcastle county are invited and urged to attend as many sessions

as possible. The program for

and the evening begins at 7 and lasts one hour. A special program has been arranged for each period and some of the very best Sunday school workers in the State, are assigned to these various subjects. We want to urge you to attend, as this week of Methods means too much, not to have the full co-operation of every Sunday-school worker, or church goer in the county.

CATARH CAN'T BE CURED

with local applications as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts through the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrhal conditions. Send for testimonials free. F. J. Cheney & Co., Prop., Toledo, Ohio. SLEEPS LIKE A LAMB, EATS LIKE A PIG, SHE TELLS

Youngstown Woman Laughingly Tells of the Astonishing Relief She Gained.

"I can eat like a pig and sleep like a lamb," laughingly said Mrs. B. Henderson, of 116 South Hazel str. et, Youngstown, Ohio. "I know this sounds rather 'piggy'ish," Mrs. Henderson explained, "but I can hit upon no words that describe my present condition better. Especially is this true after the many years of suffering I went through.

"Indigestion, catarrh of the head, nose and throat, kidney and liver trouble and nervousness all had a tight grip on me. Words cannot describe the pains and agony I underwent.

"There was a bloating of gas on my stomach after eating, I suffered headaches, my nose was stopped up, mucous formed in my throat, my eyes were weak at times and my kidneys were sore. A general run-down condition of health is what I really suffered from. Never did I feel energetic and it was impossible for me to relish food.

"I tried almost every medicine that came along, but none of them did me any good. I finally concluded that there was no hope for my recovery. I read of Tanlac, friends told me about it, and relatives begged me to take it at first, but I kept on refusing. Each day my condition grew worse and I was driven by desperation, I supposed to take another chance on finding relief in a proprietary medicine.

"Ten days of Tanlac treatment made a new woman of me. No longer do I suffer from any of the old ailments. Oh, what a pleasure it is to feel good once more. I can't help from praising Tanlac day and night. If any of my friends or people who hear of my case suffer anything like I did, I urge them to take Tanlac."

Tanlac is being introduced in Mt. Vernon at the drug store of R. H. Miller, also at Central Drug Co., Livingston, and John Robins' Drug Store, Brodhead. W. M. Owens' store, Burr, Lynne Bros., Crab Orchard, S. E. Welch Bera; J. Reynolds & Son, Bee Lick, Ky., wherever Tanlac Man will explain the merits of this wonderful reconstructive tonic and the results that may be expected from its use.

Hopewell

Miss Anna Stokes of So Rks' Quarry is visiting her brother here.

Mr. and Mrs. Bob McClure of this place, spent the latter part of last week with Mrs. McClure's parents near Line Creek. Re. Carmical filed his regular appointment at Hummel Grove Saturday night and Sunday.—Mrs. Edd Gentry of Mt. Vernon, was here last Saturday.—Rev. James Barnes was the guest of his son, Alfred, Saturday night, in Hopewell.—Misses Jennie and Addie Burke spent Sunday with Miss Hattie Carmical.—Miss Bertha Carmical was in Mt. Vernon Wednesday and Thursday to see her sister Mrs. Stephen Carpenter.—The six-year-old son of Mr. and Mrs. John W. Kirby escaped a narrow risk of being killed. The child had gone with his father to Mr. W. M. Livesay's after a harrow. Mr. Kirby and Mr. Livesay were standing a few steps away from the wagon when a dog jumped the fence scaring the horses which broke to run with only the little boy in the wagon. They ran until they had reached August Krueger's house, when the child fell from the wagon. He was picked up by Mrs. Fritz Krueger and had only the slightest of wounds. It seems that it was only luck for the parents that their little boy escaped so well.

Mrs. Maggie Percival of this place spent Thursday night with Mrs. John Clontz, at Mt. Vernon.—Mrs. Robert Marler and children spent last Sunday with Mrs. Jack Murray.—Mr. and Mrs. Holbert Kirby of Sparks Quarry, were visiting Mr. and Mrs. Bussel of this place, the latter part of last week.—There has been the greatest drought in the past few weeks there has been for some time. The gardens and corn crops are doing very little good.—Mr. Mitt Rash is numbered with the sick.—Rev. Carmical was called to Line Creek last Monday to preach the funeral of Mrs. Charles McClure, she leaves a husband, several children and a mother to mourn her loss.—Miss Maggie Livesay is in London having her eyes treated.

MCCRACKEN ENTERS

"BEST BERRY" WAR.

RUDY'S TO CONDUCT "PRELIMS" TO CHOSE ENTRY FOR LOUISVILLE PRIZE.

CONFIDENT COUNTY CAN SHOW THEM ALL UP.

Can McCracken county produce the best berry raised in Kentucky this year?

J. A. Kady & Sons are confident that it can and wants to enter three crates of berries in a contest the Louisville Post will hold June 1, in which a \$10 prize will be given for the best strawb. rries grown in Kentucky.

Here is how Rudy's will select the berries to be entered: They will hold a contest at their store Wednesday morning, May 31, and the three best crates will be sent to Louisville for the Post's contest. Five dollars will be awarded the grower with the best berries; \$3 the grower with the second best, and \$2 the grower of the third. A committee of competent persons will make the decision.

"We have long thought we had as fine berries in this country as any section of the country could produce," said Mr. Henry Rudy, in announcing the unique contest today, "and we are anxious, since an opportunity has presented, to prove it. There will be berries at Louisville from Bowling Green and every other strawberry section of Kentucky, and this firm believes it will be a great boost for McCracken county if the prize comes here. "We want the co-operation of the berry growers in our effort to make McCracken berries famous and we feel confident that if we have it, McCracken will win the first prize. The berries will be sent in the name of the grower, to the Post contest.

Business and Patriotism

A Nonpartisan Appeal to the Nation

The White House Washington, April 21, 1916

To the Business Men of America:

BESPEAK your cordial co-operation in the patriotic service undertaken by the engineers and chemists of this country under the direction of the Industrial Preparedness Committee of the Naval Consulting Board of the United States.

The confidential industrial inventory you are asked to supply is intended for the exclusive benefit of the War and Navy Departments and will be used in organizing the industrial resources for the public service in national defense.

At my request the American Society of Civil Engineers, the American Institute of Mining Engineers, the American Society of Mechanical Engineers, the American Institute of Electrical Engineers and the American Chemical Society are gratefully assisting the Naval Consulting Board in the work of collecting this data, and I confidently ask your earnest support in the interest of the people and government of the United States. Faithfully yours,
